FACILITEITEN

A 3D architectural rendering of a housing complex. The image shows several interconnected building blocks of varying heights and shapes, creating a dense urban environment. A large, semi-transparent arrow points from the text on the right towards a specific unit within one of the buildings. The overall style is clean and modern, using light gray and white tones.

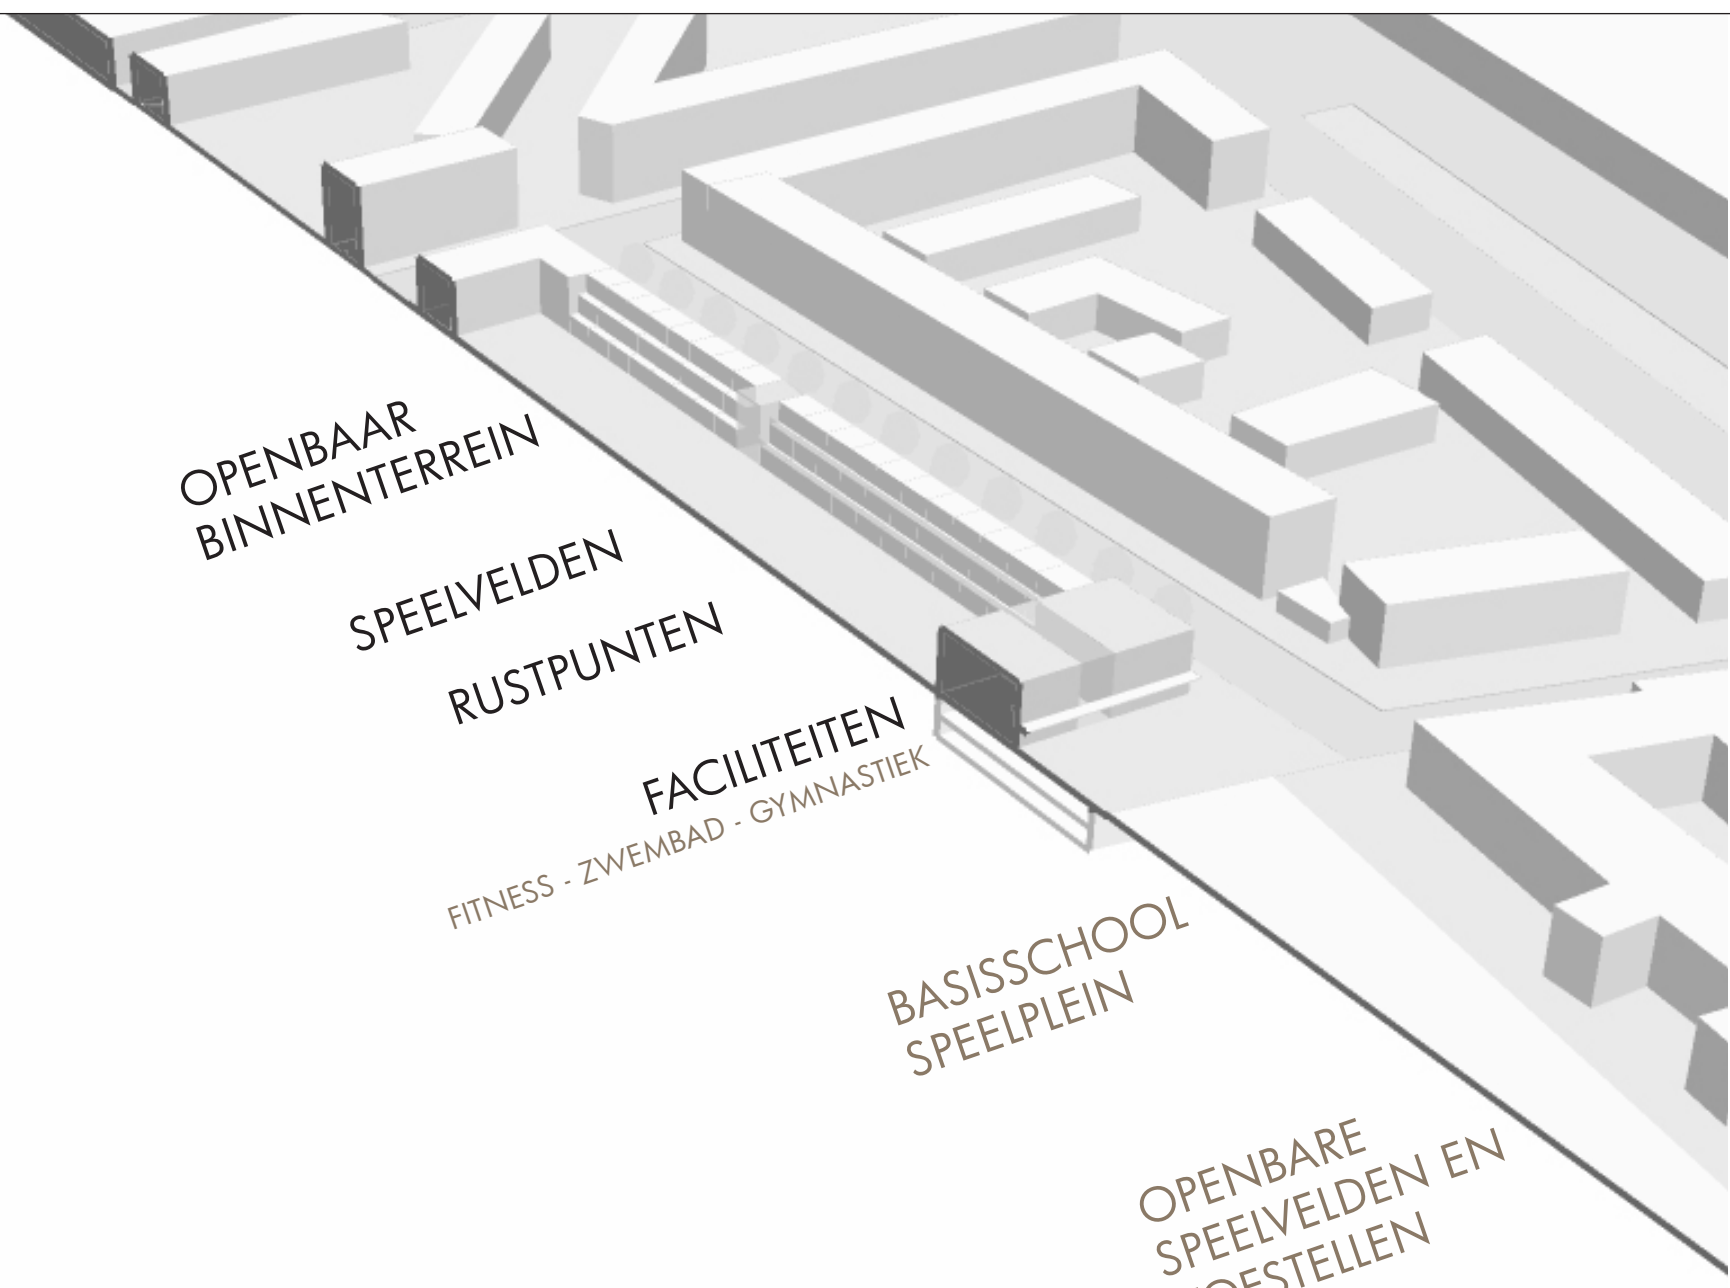

Diagram illustrating the layout of a residential and cultural facility complex, showing various outdoor spaces and facilities. The diagram is a 3D architectural rendering of a complex with various rectangular blocks representing buildings and open spaces. The spaces are labeled with Dutch text, indicating different functional areas within the complex.
